## 2-SIDED

A mattress built with two sides of comfort quilting and upholstery layers. Extend the comfort life by flipping every three months.

## GEL FOAM

High performance gel-infused memory foam that provides comfort by adopting to body weight and lowering body temperature.

## POCKET COILS

A premium coil system featuring individually wrapped response support coils that reduce motion transfer.

## ADJUSTABLE FRIENDLY

A mattress compatible with an adjustable base. Controls comfort and support with personalized positions for sleeping, watching TV, or reading. Can also reduce snoring and acid reflux.

## WARRANTY

Supported by an industry-leading manufacturer's warranty.
