Collection: Driftwood

Number of Shelves: 0

Number of Drawers: 0

Style: Casual

Finish: Grays

Brand: Hooker Furniture

Product Description: Bring timeless charm to your living room with the Driftwood Metal Spot Table, a masterful blend of stone and textured metal. Its round stone top offers natural elegance, while the metal legs provide modern industrial flair. Ideal as an accent table for living rooms, it complements contemporary, coastal, or casual interiors. Perfect for interior designers looking for a luxury side table that is both functional and visually striking.

Collection Features: Striking a balance between heritage craftsmanship and contemporary versatility, where history and refinement are woven into every detail, the 45-piece Driftwood collection is rooted in authenticity. Revealing a depth of texture and a timeworn patina that evokes the beauty of naturally aged materials, the collection unfolds in three finishes. Buckboard evokes the quiet warmth of sun-faded oak. Worn Saddle is deep and burnished, a nod to the

supple leather of well-loved armchairs and hand-tooled heirlooms. And Burnt Timber, dark and moody, carries the quiet drama of wood softened by time and touch. With an emphasis on craftsmanship and enduring style, the Driftwood collection offers a sophisticated yet livable approach to design, reminding us that true beauty—like great design—only grows richer with time.

Status: Coming Soon

Features: Round shape
Textured metal legs
Stone top

Material: Stone and Metal

Expected Availability: 12/18/2025

Important Use Information: We recommend the use of felt tabs and coasters to protect the stone surface. All stone tops, especially those around water should be sealed or polished before use and on a regular basis to keep the porous stone from absorbing any stains from water, soap, wine, colas, etc. Wipe up spills immediately, since any liquids allowed to seep in may not be able to be removed and may etch the surface, causing discoloration. Most home improvement stores have a wide range of products for these applications due to the sale of stone counter tops.
