Flint Framed Painting

White scratches give dark brown its spark. The Flint framed painting layers gestural white marks over a deep dark ground, creating a raw abstract composition with structural energy. Acrylic on canvas gives the background a rich, worked surface that shifts across the piece. The solid pine wood frame contains the movement while keeping the wall presence strong. Scratch, sweep, structure. It gives the wall a finished focal point with a clear mood.

- Gestural White Lines: Scratched white marks move across the dark ground, giving the Flint painting raw abstract energy, giving the artwork a more layered wall presence.
- Layered Brown Ground: A deep dark brown textured background adds depth and variation behind the strong linear composition, giving the artwork a more layered wall presence.
- Acrylic On Canvas: Acrylic on canvas sits in a solid pine wood frame, giving the structural abstract a finished edge, giving the wall story a finished edge.
