

Experience faster, more thorough ingredient incorporation and get better results* with the Double Flex Edge Beater, designed for select KitchenAid® Bowl-Lift Stand Mixers.** The Double Flex Edge Beater increases contact with the bowl and reduces the needs to stop and manually scrape stray ingredients clinging the bowl sides. And clean up is easy with this dishwasher-safe stand mixer accessory. *Compared to KitchenAid® Single Flex Edge Beaters, **Compatible with residential KitchenAid® Bowl-Lift Stand Mixers using stainless steel bowls only: model numbers starting with KSM75, KSM55, KSM60, and KSM70. Not compatible with any model not listed.
