Power Recliner w/ Audio Seating
39"W x 41"D x 45"H
991mm W x 1042mm D x 1143mm H

Features:

- Features Leather Match upholstery
- Genuine leather typically covers inside areas such as the back, seat and arm cushions; skillfully matched faux leather covers the remaining areas
- Due to its natural origin, real leather can show individual characteristics such as healed scars, growth marks, grain variation and shade variation
- Natural variations make each hide unique and do not detract from the wearing qualities of leather
- Frame constructions have been rigorously tested to simulate the home and transportation environments for improved durability
- Frame components are secured with combinations of glue, blocks, interlocking panels and staples
- All fabrics are pre-approved for wearability and durability against AHFA standards
- Cushions are constructed of High-resiliency foam cushions wrapped in thick poly fiber
- One-Touch power control with adjustable positions features Easy View™ adjustable headrest and zero-draw USB A and USB C charging port
- Zero-Draw technology only consumes power when the USB receptacle is in use
- Zero-Gravity mechanism allows optimum reclining comfort with infinite reclining positions at the touch of a button
- Features a built-in premium quality audio sound system with wireless connectivity and sonic bass in the seat
- Armrests features flip-top storage along with a hidden Thunder control panel with adjustable volume, bass and vibration knobs
- Features heat in the seat element (with automatic 30-minute shutoff feature)
- Features an Air Massage system including 3 settings: steady, pulse and wave (with automatic 20-minute shutoff feature)
- The Sofa features a Drop-Down Table with LED reading lights, dual cup holders, docking station and wireless charging
- Features metal drop-in unitized seat box for strength and durability
- All metal construction to the floor for strength and durability
- The reclining mechanism features infinite positions for comfort
