Matilda Dresser Dark Olive

Dark olive makes storage look freshly considered. Heritage-inspired shaker drawer fronts give the Matilda dresser a classic base, softened by rounded edges and a warm painted finish. Botticino marble tops the solid mango wood and MDF frame with creamy tone and delicate white, golden, and beige veining. Blackened bronze iron hardware, finished with diamond-shaped back plates, adds the playful last word across the drawers and keeps the heritage mood lively.

- Soft Heritage Lines: Shaker drawer fronts and rounded edges give the Matilda dresser a heritage-inspired look with a softer profile, so the silhouette feels intentional from every angle.
- Botticino Marble Top: Italian Botticino marble adds a warm cream surface with delicate white, golden, and beige veining, letting the material carry the visual story.
- Mango Wood Frame: A solid mango wood and MDF frame supports the painted finish while keeping the dresser substantial and grounded in the room.
- Diamond Hardware Detail: Blackened bronze iron hardware with diamond-shaped back plates adds a playful heritage note to the drawer fronts, so the surface keeps changing in the light.
