Bauer Accent Chair Sage

Consider this your “sit here for a minute” chair—except a minute turns into an hour. Rooted in Arts and Crafts tradition, Bauer brings heritage lines into the present with a warm, easy presence and padded arms that actually earn the name. An oil-finished solid oak and oak veneer frame highlights the natural grain, while plush foam-and-fiber cushioning keeps things comfortably structured. Classic inspiration, modern ease—now in a calm sage that freshens the whole room.

- Arts And Crafts Ease: Straight lines meet gentle curves for a grounded, design-forward silhouette that plays well with both vintage finds and modern pieces.
- Sage Upholstery: 100% polyester in a muted sage hue adds a soft hit of color that reads relaxed, current, and easy to style year-round.
- Oak-Forward Frame: Solid oak and oak veneer over MDF create a stable foundation with a heritage feel and a contemporary finish that highlights natural character.
- Padded Arm Comfort: Supportive foam and fiber fill adds a plush landing spot for arms and shoulders, making longer sits feel easy and intentional.
