

HADLEIGH PANEL QUEEN BED - COMPLETE

There are two key ingredients found in true heirloom or antique furniture that allow for such longevity. The piece must be built with quality materials (most likely solid wood), and it will have timeless styling. At first glance the arched shape of our Hadleigh Panel Bed is simple and clean. But upon approach the solid wild black cherry and meticulous attention to detail and finish are obvious. The bed is available in queen, king, and California king sizes. The bed package shown here includes includes a queen headboard, footboard, side rails and center support system.
