## *GE® 1/2 HP Disposall Green Continuous Feed Garbage Disposer Corded*

### **FEATURES AND BENEFITS**

**1/2 HP Motor** – A reliable 1/2 HP motor helps this garbage disposal quickly reach its maximum spin speed, so it can grind food faster without jamming or clogging.

**2,600 RPM Grinding Action** – this food disposal spins at a high speed to finely grind with Stainless Steel Jam-Resistant, grinding impellers.

**Stainless Steel Grinding Impellers** – This anti-jam garbage disposal is designed with durable, rust-resistant stainless steel grinding components that stay sharp longer than other metals.

**Family Size Capacity** – This is the recommended high-speed disposal for a family of 2-4 people. Extra-Large, 34-Ounce Grind Chamber Capacity, Continuous-Feed Disposer.

**Quick Installation** – Simple installation food disposal, setup only takes a few steps. Everything you need is in the box, and it's complete 3-bolt design makes it a universal install.

**Power Cord Included** – Save time during installation with a garbage disposal power cord, attached to your unit and ready to go.

**Septic Safe** – Enjoy the convenience of a septic safe food disposal that works with properly maintained septic systems. Additional accessories are not needed.

**Sound Reduction Technology**

**Manual Reset Overload Protector**

**3-Year Warranty**

**Model GREEN05P**
