Wall Mounting

Unit Dimensions

The appliance can be wall-mounted. There are two mounting holes **1** at the back of the appliance. ۲

17"

CAUTION

Make sure the wall and fastenings can withstand the weight of the appliance when fully loaded. The empty appliance weighs 68.4 lbs.

IMPORTANT

To ensure sufficient ventilation through the ventilation slots, the four wall spacers **2** must always be inserted, regardless of whether the appliance is wall-mounted or standing on the floor against a wall.

Simply insert the spacers in the openings provided.

Liebherr XS 200 Design & Lifestyle

Design & Lifestyle

Liebherr's approach to refrigeration in their entire product line is to provide ideal conditions for food – The Humidor XS 200 is no exception. The innovative MagicEye control systems allows precise control to establish the proper balance of temperature and humidity so important to the optimal storage for fine cigars. The storage cabinet can be set from 60°F to 68°F (16°C to 20°C) and the humidity, controlled by a removable container for distilled water, can be set from 68% to 75% humidity depending on owner preferences.

Features

German Engineering: Our superior products offer premium quality, cutting edge design and innovative features that fit your busy lifestyle. Exclusive components and materials, along with the latest production processes, ensure energy efficiency and performance for years to come.

SmartSteel: Available on select freestanding/ semi built-in models significantly reduces the visibility of fingerprints and is very easy to clean and scratch resistant. All that is required to maintain this beautiful exterior is the wipe of a clean dry or damp cloth.

Fine cedar wood : The two presentation boxes varying in height and the two wooden shelves are crafted from Spanish cedar wood.

purposes.

۲

LED Lighting: LED lighting with dimmer function is incorporated into the glass door. As the LEDs emit virtually no heat, the cigars can be exposed to the light for long periods of time without damage.

Precision Electronics: The accurate touch electronic control system allows the temperature to be set and maintained to the exact degree selected.

Alarm: The temperature alarm alerts the user to any irregularities within the interior.

Ideal Humidity: The integrated water tray can accommodate one liter of distilled water for ideal humidity. Sensors regulate precise humidity level selected. The visual display informs when water needs to be replenished.

Presentation boxes: Perfect for storing loose cigars and can easily be removed for presentation

Aesthetics: Liebherr's Humidor, with its attractive design and compact size, would be at home, either wall mounted or positioned on your finest furniture.
