

CENTURY DINING TABLE
BC-1087-18

To seat our profound desire to gather together. Perfect for an open-plan kitchen or dining room with spacious seating for up to eight, this large dining table features rounded, industrial post legs that accent its tabletop. Filled with bright, organic energy in solid white oak, this beautifully crafted hardwood table is a modern focal point to your social setting. It's time to bring the invitations back to the dinner table - this one is braced for years of celebration.

- Solid oak with a whitewash finish
- Natural grain, knots or fissures in the wood vary as unique features
- Solid, rounded post legs
- Spacious seating for up to 8
- Some assembly required
