Standing Black Panther Bronze

1200-0912

New

Overall: 34"h x 27.5"w x 15"d

Finish: Black Bronze

Materials: Bronze

Item Weight: 59 lbs.

A remarkable sense of movement is achieved in the Standing Black Panther Bronze sculpture. Finished in black bronze, this piece comes to life through a multi-step lost-wax casting process. After casting, the artist adds thoughtful touches like polishing or additional finishes to complete the look.
