Book Accent Table White

Raw but refined. The Book accent table is all about the materials, a display of cement and terrazzo combined with a bright whitewashed color scheme. Its sculpted cement base has a hand-crafted rustic feel, with a silhouette that calls back to antiquity. An optimal plinth for your drinks, trinkets or (naturally) books, the tabletop is made from gorgeously flecked white terrazzo. Perfectly imperfect, the Book accent table will add a bit of tactile flair to any living space.
