Akako Vase

1200-0901

In Stock

Overall: 15.75"h x 13"w x 12.5"d

Finish: Black / Orange

Materials: Glass

Item Weight: 11 lbs.

Like a cut diamond with a faceted form, the Akako Vase is a large mouth-blown glass vase with an angular profile. The vivid coral against the deeper color on its surface will make it a statement piece in an interior because it cannot help but glow. The red vase is quite large, so it is perfect for placing in a spot where it will dominate the vignette.
