LED QUICK START

LED ICON	DESCRIPTION
	Will flash when transmitting to indicating the lock/arm command has been sent. Will flash + chirp confirming the system has been locked/armed.
	Will flash when transmitting to indicating the unlock/disarm command has been sent. Will flash + chirp confirming the system has been unlocked/disarmed.
	Will flash indicates the remote start command has been sent. Will flash + chirp confirming the system has been remote started/stopped.
	Will flash + chirp will sound when the remote receives an alarm trigger alert.
   	All 4 icons will flash during remote start to act as a runtime count down timer. Each icon represents 25% of the runtime and will stop flashing as timer counts down starting with the lock LED. The remote will beep 3 times when 1 minute of runtime left. During the last minute of runtime the remote will beep 1 time/2 seconds.
