Custom 4.5-Quart, 10-Speed, 325-Watt Tilt-Head Stand Mixer powers over 12 optional attachments. Inside a sturdy, all-metal frame, the direct-drive transmission ensures the 325-watt motor reliably delivers the power to handle heavy mixtures. Unique Planetary Mixing Action where the Beater spirals to 67 different touch-points within the bowl for the industry's highest beater-to-bowl coverage; this unique motion assures quick, complete mixing. Includes a flat beater for general mixing, dough hook to knead dough and wire whip for whipped cream, meringues and icings.
