Colin King Storage Bed Light Brown

Clean storage shouldn't feel clinical. Colin's rounded, fully padded frame keeps the bedroom soft, wrapped in bouclé-style upholstery in warm light brown. Beneath the calm curves sits a solid wood, plywood, and MDF structure with foam cushioning, plus dark exposed post legs for grounded support. Lift the mattress platform to reveal under-bed storage, made easier with a 1000N piston assist—ready for extra linens, seasonal layers, and the stuff you'd rather not see. Relaxation, with a hiding spot too.

- Soft Curve Silhouette: Rounded headboard and frame keep the look gentle and calm, turning the bed into a quiet focal point for the room.
- Bouclé-Look Upholstery: 100% polyester upholstery brings nubby texture and easygoing warmth, paired with supportive foam padding for a cushioned feel.
- Sturdy Inner Frame: Solid wood with plywood and MDF supports the upholstered form, helping the bed stay steady through nightly use and movement.
- Lift-Up Storage: A piston-assisted platform (1000N) opens to under-bed storage for linens and extras, keeping essentials close and the room feeling clear.
