29h x 10.5w x 10.5d

Ceramic

Shiga/Blue Gray Glaze

The Taiga Lamp, part of the Shiga collection, is a captivating piece that embodies the natural beauty of Japan. Hand-turned, this lamp features a gradient design that mirrors the serene image of the sun rising on the horizon. The soft, sandy hues at the top blend seamlessly into deeper, earthier tones toward the base, creating a warm, organic ombré effect.
