Availability: as of 9/21/2021 7:56:47 AM

Item Weight: 22 lb

The Visby Smoke Black Ottoman is made of solid oak in a cerused black finish with a linear brass accent in a brushed brass finish. The mid-century lines are enhanced by the rough ceruse treatment on the wood. The seat cushion of the black ottoman is shown here upholstered in a F0224 Arita Smoke fabric. It is reversible so that the Visby can be used either as a seat or a table. We offer the Visby as an ottoman in other finishes and fabric choices, and as benches. It is also available in muslin.
