Dimensions

Depth	25 1/4"
Height	35 3/4 - 37 1/4"
Width	35 7/8"

Features & Benefits

Multi-shelf cooking
Our AeroTech™ system circulates air evenly throughout the entire oven so dishes on the top shelf turn out just as perfect as food cooking on the bottom shelf.

Quality and durability
Every detail has been carefully crafted. The solid, perfectly balanced soft-close door, durable cooktop trivets and machined stainless dials all add up to an exceptional, premium range.

Easy to clean
Cleaning up spills is effortless. Your cooktop simply needs a quick wipe to keep it looking good as new. The self-clean function breaks down food residue at a very high temperature, leaving a light ash that's easily removed with a damp cloth.

Burner power & control
Instant and immediate control from the highest to the gentlest heat. The finely tuned cooktop controls let you sear, stir fry or simmer a delicate sauce to perfection.

Large capacity oven
The generous 4.9 cu. ft total capacity oven gives you plenty of space to cook multiple dishes at once.

Even heat
Accurate, electronically-controlled oven heat ensures a great result every time.

Specifications

Accessories
