How to Replace the TFT Display on ILVE Majestic Ranges

Replacing the TFT Display:

Replacing the TFT display on an ILVE Majestic Range requires careful disassembly and handling of sensitive electronic components. This guide will walk you through each step to ensure a safe and proper replacement. Ideal for appliance technicians or experienced homeowners.

Tools Required:

- Phillips Screwdriver
- Torx T10 Screwdriver
- Heat Gun
- Microfiber Cloth
- Flathead Screwdriver (optional)
- New TFT Display Module

How to Replace the TFT Display on ILVE Majestic Ranges

Step 1: Remove the Grates and Burners
Lift off the burners and grates from the cooktop surface.

Step 2: Unscrew the Drip Tray
Using the Phillips and T10 Torx screwdrivers, remove the screws securing the drip tray.

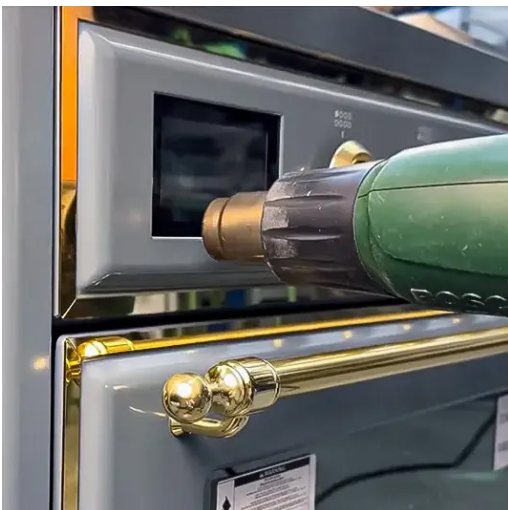

Step 3: Unscrew the Support
Locate and unscrew the internal display support bracket.

Step 4: Detach the Cables
Carefully unplug the cables from the back of the display and mark the sequence for reconnection.

Step 5: Soften the Adhesive
Use the heat gun in circular motions to loosen the glue holding the display.

Note: Maintain a 5 cm distance to avoid damaging the varnish.

Step 6: Remove the Display
Gently pull out the old display.
Note: If the pull tab breaks, use a flathead screwdriver to assist in detaching it.

Step 7: Clean the Area
Use a microfiber cloth to remove any adhesive residue and dust.

How to Replace the TFT Display on ILVE Majestic Ranges

Step 8: Insert the New Display

Position the new display in the mounting space.

Step 9: Reconnect the Cables

Attach all cables back in the correct sequence.

Step 10: Reattach the Support

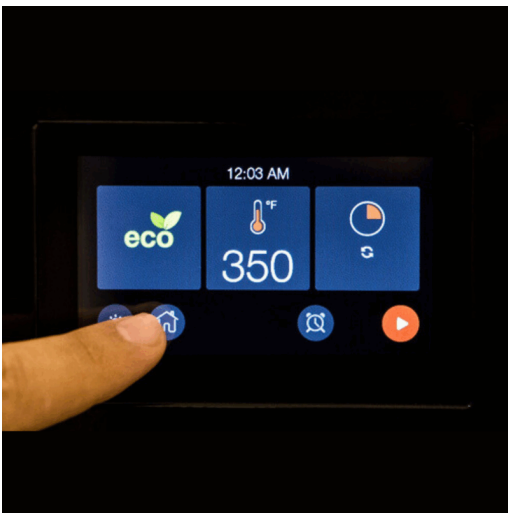

Screw the support bracket back into place.

Step 11: Secure the Drip Tray

Reinstall the drip tray using the same Phillips and Torx screws.

Step 12: Reinstall the Burners and Grates

Return all components to their original positions.

Final Recommendations

- Refer to the full ILVE Installation Manual for clearance requirements and connection guidelines.
- Always hire a licensed professional for gas and electrical installations.
- Register your ILVE Range online to activate your warranty and receive product support.
