

Gene Charging Nightstand Dark Brown

COLORS: Brown

OVERVIEW

Finished in a rich dark brown, this reclaimed neem wood Gene charging nightstand offers a harmonious blend of form and function, merging modern technology with timeless elegance. Two doors reveal open shelving, while a soft-close drawer provides discreet storage. Crafted with mango wood, an integrated wireless charging top compatible with both Mac and Android devices adds a contemporary touch to this sophisticated piece.

- Integrated charging at the top with wireless charging mounting plate. A calibration kit to locate the charging device is included. Compatible with Mac and Android products
- Reclaimed neem wood local to India. Mango wood drawer & internal structure with Acacia veneer back panel
- Traditional style featuring overhang detail with two doors below that reveal open shelving & one soft close drawer with side mounted glides
- Assembly required
