#44815  
Console Table

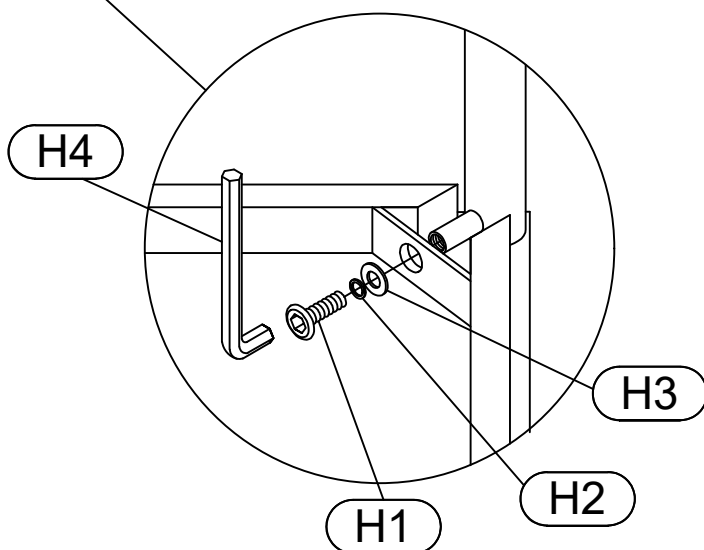

Be sure to check all packing material carefully for small parts, which may have come loose inside the carton during shipment.

To prevent possible scratches and damage, this furniture must be assembled by two people on a soft surface such as a blanket or carpet.

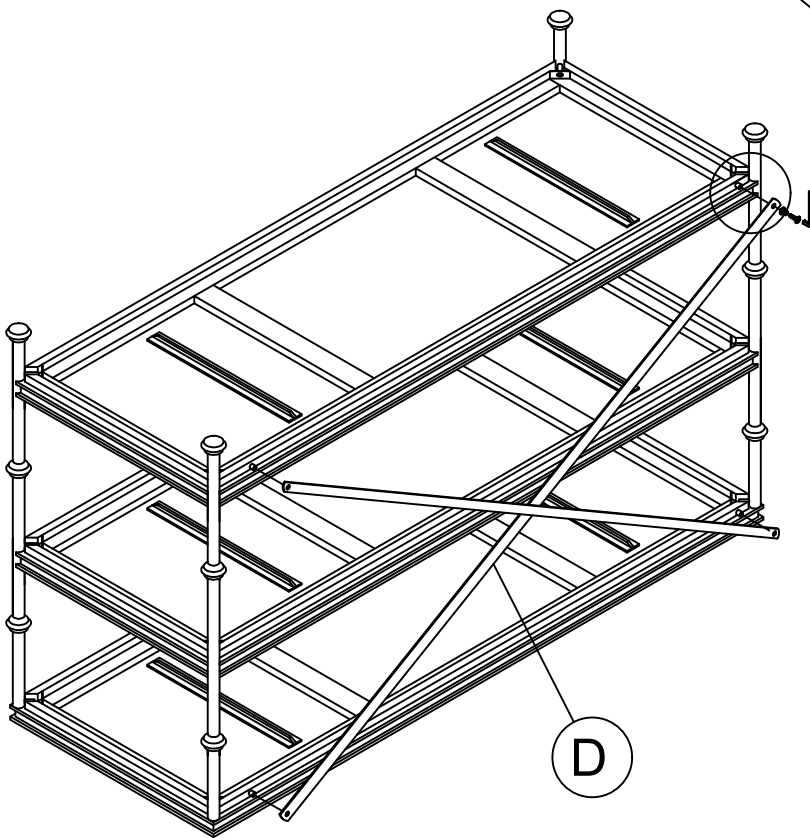

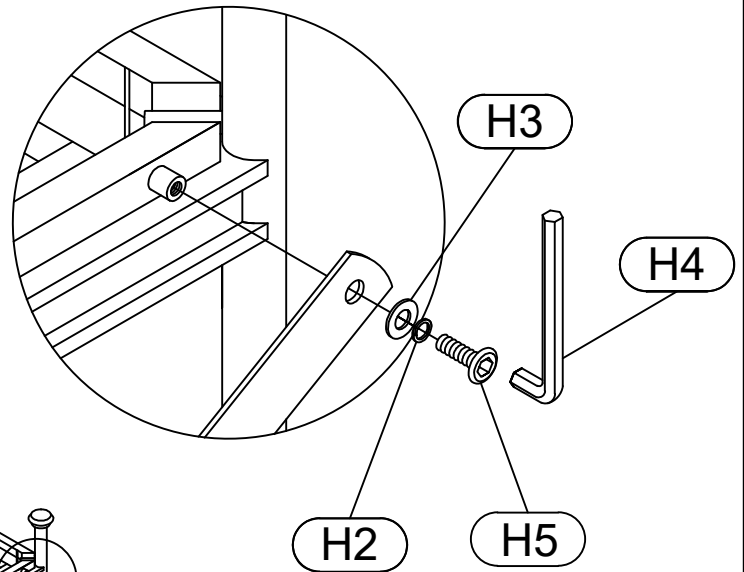

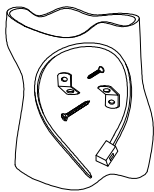

STEP 2

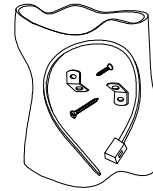

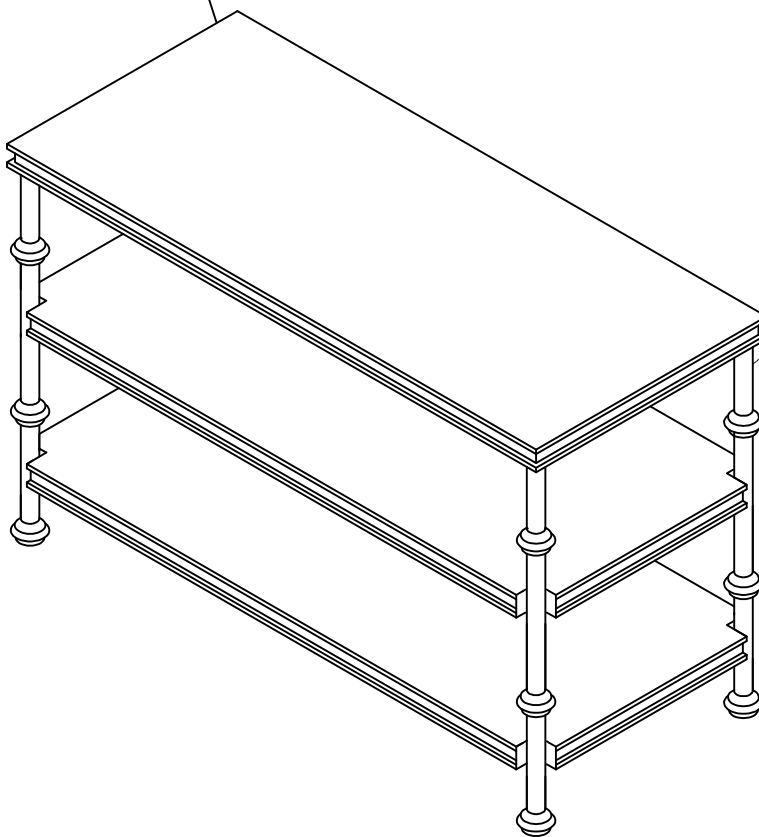

STEP 3

For product and personal safety, Furniture Tipping Restraint kits have been included with this unit which can help to minimize the risk of the unit accidentally tipping forward, if used and properly installed per the kit manufacturer's instructions.
