Bern 7 In Vessel Black

Wide at the belly, sharp at the neck—vessel form, distilled. Its ancient, grounded shape lends the Bern a quiet anchor for a shelf, mantel, or console. Finished in black Ecomix, the rounded body sits low and wide before pulling sharply inward to a slim opening, a confident silhouette that reads from every angle. Style it solo or grouped—old-world form, made for the way you arrange a room today.

- All in the Silhouette: A wide, bulbous body tapers sharply to a narrow neck, a classic vessel form that brings a grounded, sculptural presence to any surface.
- In Black Ecomix: Crafted in Ecomix with a black finish, the surface stays understated so the bold, sculptural vessel form takes center stage.
- Low and Wide: The generous rounded belly sits low and wide before pulling in sharply at the neck, creating a strong, confident profile.
