

WONDERLAND SEVEN DRAWER DRESSER

Few natural materials have a personality as pleasing, interesting, and unique as solid walnut. Long considered America's most premier material for cabinetry and architectural woodworking, American Black Walnut is best utilized in larger pieces where it can be fully appreciated. The Wonderland Dresser creates an ideal design to showcase this beautiful material. Among the seven drawers are four large drawers ideally sized for folded clothing, one medium drawer across the top and two smaller drawers to help keep things organized and accessible. The Wonderland dresser also includes integrated levelers in the feet.
