

BORREGO

TV CONSOLE | CM5018A-TV-72

DETAILS:

For those looking to add to their rustic abode, this TV console will fit right in. It comes in a beautiful farmhouse inspired design, with sliding doors and X front panels that take the ranch back into your living room. Metal accents in the front help emphasize the motif while adding a bit of extra flair to a rather simple design. Behind the doors are open shelves where your electronics and video equipment reside.
