

London Mirror

DM303

Availability: In Stock

DESCRIPTION

Hanging our London mirror on the wall is like stepping back into the fin de siècle when the capital of Great Britain was the largest and most sophisticated city on earth. Made of iron in a weathered zinc finish, the convex frame with its laurel leaf and ribbon motif surrounding the antiqued mirror echo the architectural details on many of London town's historical buildings. This decorative piece is included in our Gray Living Collection.
