Raffia, like all natural materials, features inherent disparities in color and weave pattern. Avoid direct sunlight and high humidity or moisture areas. Trim any loose fibers with scissors.

For cleaning Raffia, use a dry cloth or paint brush to remove dust. Raffia is a natural material that is inherently heat and humidity resistant. All our Raffia has a topcoat of clear lacquer to give added protection against stains, spills and fraying without removing the natural texture and feel of raffia. If any fraying occurs, just simply cut the portion of fray with scissors.
