

SRS-XB2/BLK

Portable Bluetooth® Wireless Speaker

Grab an earful with this EXTRA BASS™ wireless Bluetooth® portable speaker that delivers deep, punching bass all day and night with up to 12 hours of battery life.¹ Avoid party fouls with the water-resistant design.² Even take calls and charge your smartphone with the built-in USB. It's ready to hit the road with bass that hits.

Features

Feel the power of EXTRA BASS

Made for today's heavy-hitting bass lines and dropping beats, EXTRA BASS™ technology delivers powerful, clear bass sound where it's hardest to find—in portable speakers and headphones. The result is a full, deep, resonating sound that's perfect for EDM, Hip-Hop and other music. So push the button, crank it up and let the bass drop.

Connect and stream music easily with Bluetooth® and NFC

Enjoy easy, one-touch connectivity and music streaming with NFC. No NFC? No problem. Connect via Bluetooth and you're ready to go.³

Up to 12 hours of battery life

On play, all day. Thanks to an extended battery life,¹ your tunes will go the extra distance – meaning you can keep the party going for even longer.

Avoid party fouls with the water-resistant design

Whether you want to take the party poolside or just use your speaker outdoors, the splash-proof design will give you peace of mind.²

Pick it up and play

The perfect combination of style and portability. Thanks to its compact size, you can pick up and take your sounds exactly where you want them. Party with your friends outdoors or anywhere around the house. In fact, this speaker looks and sounds great wherever you put it.

Double-up on sound

Double mode gives you double the sound. Just pair two speakers together to really get the party going.
