ANTONIA CONSOLE

BJD22168-44

The Antonia Console balances sculptural beauty with everyday function. Triangular fluting on the drawer fronts and back makes it a standout from every angle—perfect for floating in a room or placing against a wall. Waterfall legs and a streamlined top are available in Quartersawn Oak or Maple, with a wide range of finish options. Choose a unified look or mix paint and stain for bold contrast—every detail is fully customizable to suit your space. Refined brass edge pulls complete the look, while a built-in pencil tray in the center drawer adds thoughtful functionality. Ideal as a writing desk or console. Also available as the Antonia Desk with four drawers. Pairs beautifully with the Antonia Nightstand and Dresser—or stands alone as a striking statement piece.
