+ FEATURES & BENEFITS

Designed, Assembled, & Finished with **American Pride** in Phoenix, Arizona, using Domestic and Imported Materials.

Dado construction: The products frame is built using dado construction techniques that increase the durability and longevity of the product.

Electric Fireplace: Heater provides supplemental zone heating for small and large rooms. Tempered glass front display includes a traditional log set and ember bed. Eco-friendly, energy efficient fireplace does not emit any emissions or other hazardous byproducts. Remote control (batteries included) to provide added convenience. Flame effect can be operated with or without heat, providing the ambiance of a gentle rolling fire all year long. 4,600 BTU heater provides supplemental zone heating for up to 400 square feet.

Cord Management: Engineered to allow cords to pass through the furniture to an outlet.
