

AXIS SERIES
AxV80

Leon's high-performance Axis AxV80 in-ceiling speakers deliver full range sound regardless of the environment. To accommodate a wide variety of design aesthetics, each speaker comes with a round or square grill which can be custom painted to match any wall color. Featuring 8" drivers and 1" silk-dome tweeters, Leon's versatile Axis AxV80 speakers can be used for distributed audio, surrounds or main speakers in a Living Space Theater system.

- Features 8" drivers and 1" silk-dome tweeters
- Can be custom painted to match any wall color or paint code
- Available with either a square or circle magnetic grill (ships standard with circle grill)
- Small form factor design installs easily in-wall or in-ceiling
- Easily accessible EQ switch to tailor the sound to the room
- Available with new construction brackets

ADDITIONAL MODELS: AxV60 (open back), AxV60-BC (sealed enclosure), AxV80-BC (sealed enclosure)
