Artemis Ecomix Sculpture

A looping form that folds back into itself. The upper loop curves back into the body for a dynamic, almost playful tension, giving the Artemis sculpture something new to discover from every angle. Generous, low-slung proportions keep it grounded and stable on a surface, while the molded ecomix material lends a calm, solid presence in soft beige. A quiet loop of a thing — meditative from any side.

- Sculptural Loop: An upper loop that curves back into the body creates a dynamic, almost playful tension, rewarding a second look from every angle.
- Grounded Proportions: Generous, low-slung proportions give the piece a stable, confident presence, sitting solidly on a surface with a calm, meditative feel.
- Ecomix Material: Molded ecomix shapes the form in a soft beige tone, giving the sculpture a solid, considered weight and a smooth, modern finish.
- Versatile Accent: Its calm, organic shape settles easily onto a shelf, console, or mantel, adding quiet sculptural interest without overwhelming a space.
