Features & Benefits

- Sized to Suit**
Available in multiple widths, these vent hoods have various size options available to suit families and kitchens, large and small. Designed to fit easily in your kitchen, you can select the right sized vent hood for your range or cooktop.
- Effective and Quiet**
Odors can linger in the kitchen well after cooking is finished. Four fan speeds with up to 600CFM air movement ensure steam and smells are quickly removed.
- Designed to Match**
This vent hood is designed for durability and finished in stainless steel with a smooth, streamlined aesthetic that matches the rest of Fisher & Paykel's family of appliances.

Easy Cleaning
An interior, wipeable plate makes cleaning effortless and multi-layered filters trap grease effectively. Designed for simple removal, the lters are easy to clean and dishwasher safe.
