

BERTAZZONI PROFESSIONAL SERIES

30" WARMING DRAWER PRO WD30 X

The Bertazzoni Professional Series Warming Drawer serves many functions, from warming up serving platters and dishes to keeping food warm prior or during the meal. Opening and closing the extra-large, ceramic-finished drawer is a snap thanks to the extra smooth glides and soft-motion closing mechanism.

INSTALLATION INSTRUCTIONS

Bertazzoni recommends to operate the appliance after it has been installed in a cabinet. The kitchen cabinets shall be made of materials capable of withstanding temperatures at least 117°F (65°C) above room temperature in order to avoid possible damage to the cabinets during oven usage. For further installation instructions refer to the installation manual.
