Parrot Green Glaze

Introduce a touch of refined elegance to your home with our Oliver Lamp. Featuring a beautifully contoured ceramic body, the lamp showcases a rich, glossy parrot green glaze that brings a vibrant pop of color to any decor. The base's fluted design adds texture and depth, making it an eye-catching focal point. Topping the lamp is a classic white drum shade, offering a soft, diffused light that creates a warm and inviting atmosphere. The lamp is accented with a gold leaf base, which provide a luxurious contrast to the deep green ceramic, enhancing its sophisticated appeal.
