The advanced LG QNED evo AI TV elevates your premium 4K LED experience with true wireless video and audio connectivity.

Experience the revolutionary advanced LG QNED evo AI TV with Wireless 4K 144Hz connectivity*. The included Zero Connect Box brings simplicity to TV installation by removing the need to run multiple HDMI cables to the TV eliminating wire clutter and allowing versatile TV placement. With the Zero Connect Box, all your media devices plug into the box that wirelessly transmits up to a 4K 144Hz signal from up to 30 feet away from your QNED TV.* And the included wall bracket allows the TV to be mounted like a picture with no gap.**

* PC with 144Hz gaming card required.

**Zero Connect Box must be placed within direct line of sight up to 30 feet from the QNED TV in an enclosure free environment, and lower than the TV's wireless receiver. TV and Zero Connect Box plug into the wall for power.

**Depending on installation environment, there may be a slight gap between the TV and the wall. Installation requirements vary. See installation guide for details.
