

Howard Miller delivers timeless styling with their Diana wooden grandfather clock.

Careful Craftsmanship: This wooden grandfather clock features an Embassy Cherry finish on select hardwoods and veneers.

Detailed Design: This mora style grandfather clock features a hinged top door framed with decorative overlays and complementing a detailed removable crown. Carved leaf design accents are paired with a heavily carved leaf design in the lower door.

Antique Styling: The distinctive dial of this clock features a crystal-cut center disk framed by a decorative wood ring and a circular spun brass-tone chapter ring with satin black Arabic numerals. The brass and silver-finished grid style pendulum features a crystal-cut center disk, framed by a brushed brass rim. Finally, an elaborately detailed vine motif frames the pendulum.

Additional Features: This mora clock features a high-precision, cable-driven, Westminster chime movement, an automatic nighttime chime shut-off option, and adjustable levelers under each corner. Additionally, the case is illuminated by an interior light and features a locking door.

Customization: With the purchase of this antique clock you will receive a free Heirloom Record Document with a brass-finished capsule, as well as a free brass Heirloom nameplate that will be engraved with your name and special date.

Howard Miller: Founded in 1926 and still family-owned in its third generation, Howard Miller is the world's leading clock company and a respected brand name in fine specialty furnishings such as curio cabinets, wine & bar furnishings, custom storage cabinets, and SmartMoves® adjustable height desks.
