Raffia, like all natural materials,  
features inherent disparities in color  
and weave pattern. Variations in  
shade and markings are normal and  
can be expected with the natural and  
hand-woven materials used in the  
construction of this product. Avoid  
direct sunlight and high humidity or  
moisture areas. Trim any loose fibers  
with scissors.

For cleaning Raffia, use a dry cloth or  
paint brush to remove dust. Raffia is  
a natural material that is inherently  
heat and humidity resistant. All our  
Raffia has a topcoat of clear lacquer  
to give added protection against  
stains, spills and fraying without  
removing the natural texture and feel  
of raffia. If any fraying occurs, just  
simply cut the portion of fray with  
scissors.
