

Features:

- Frame constructions have been rigorously tested to simulate the home and transportation environments for improved durability
- Frame components are secured with combinations of glue, blocks, interlocking panels and staples
- All fabrics are pre-approved for wearability and durability against AHFA standards
- Cushions are constructed of High-resiliency foam cushions wrapped in thick poly fiber
- Upholstered in a stylish two-tone Polyester/ Polyurethane Next-Gen Durapella® upholstery
- Next-Gen Durapella® is a water-repellent faux leather fabric that is easy to clean
- Features corner-blocked frame with metal reinforced seat
- One-Touch Power Control with adjustable positions, Easy View™ adjustable headrest, power lumbar support and zero-draw USB port
- Zero-Draw technology only consumes power when the USB receptacle is in use
- Zero-gravity mechanism allows optimum reclining comfort with infinite reclining positions at the touch of a button
- The Power Lift gently raises seat and eases you to your feet from a sitting position or fully reclined
- Motor allows custom comfort positioning
- Heat and massage function covers 4 zones: head, neck, shoulders and lumbar
- Air massage system includes 3 settings: steady, pulse and wave (with automatic 20-minute shutoff feature)
- Heat in the seat element (with automatic 30-minute shutoff feature)
- Emergency rechargeable battery backup available (sold separately), in case of power outage
