

## Dining Table Assembly Instructions

### Contents:

- A. 2 – Pedestal ends
- B. 1 – Stretcher - 24" (42" for Model #3002 & 3602)
- C. 1 – Table top
- D. 4 – 4" Lag bolts
- E. 4 – 2 ½" Lag bolts
- F. 8 – Washers

**Tools required:** 9/16" socket or wrench

**Please read instructions completely prior to starting.**

1. Fasten pedestal ends "A" to the stretcher "B" using four 4" lag bolts "D" with 4 washers "F". Leave these bolts loose until this assembly has been fastened to the table top.
2. Fasten the 2 pedestals "A" to the table top "C" using four 2 ½" lag bolts "E" with 4 washers "F". The pre-drilled bolt holes "G" on the pedestals should line up with the pilot holes "H" on the table top.
3. Tighten all lag bolts until the washers are snug against the wood.
