MPI-WP120-122

Media Presentation Wall Plate â€“ International Version â€“ RCA Component Video w/RCA Stereo Audio, Anthracite

Media Presentation Wall Plates complete the total Crestron® package,
ensuring end-to-end Crestron quality for every installation. A range of
wall plates is offered to support all types of analog and digital video,
audio, and control signals. The MPI-WP International Version wall plates
are designed to fit both European (DIN 49073) and UK (BS 4662) wall
boxes[1], and are finished using decorative face plates.[2]
The MPI-WP120 model features five (5) gold-plated RCA connectors,
color-coded and labeled for component video and stereo audio. Bulkhead
type feed-thru connectors are used, providing female RCA connections at
the rear of the wall plate, facilitating installation using standard RCA
cables.
