

WALL MOUNT INSTRUCTIONS

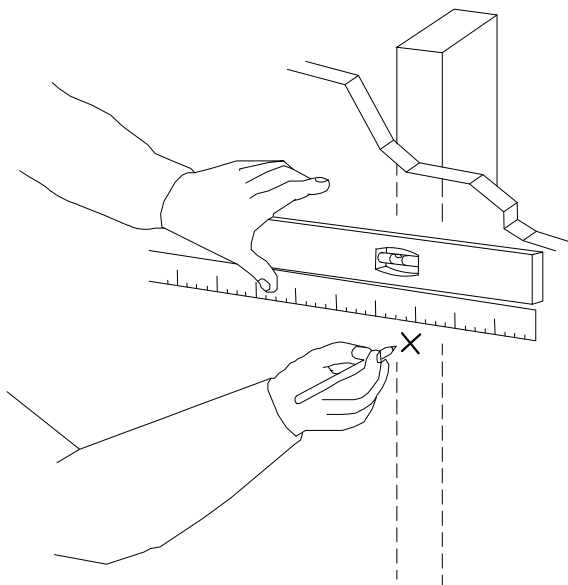

INSTRUCCIONES DE MONTAJE EN PARED

INSTRUCTIONS POUR MONTAGE MURAL

A  M4x50mm	B  D8x40mm	
 Not included No se incluye Non inclus	 Not included No se incluye Non inclus	 Not included No se incluye Non inclus

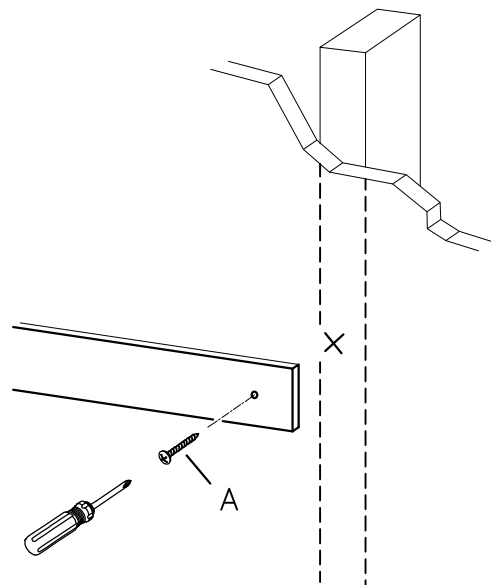

- It is highly recommended to secure the wall unit on wood stud
- Always choose screws or fittings suitable for the material of the wall
- Maximum load capacity per shelf is 15 lbs.
- Il est particulièrement recommandé de sécuriser l'unité murale sur le montant en bois.
- Utilisez systématiquement des vis ou des ferrures correspondant au matériau du mur.
- La capacité maximale supportée par étagère est de 15 livres.
- Se recomienda enfáticamente asegurar la unidad de pared sobre montantes de madera.
- Elija siempre tornillos o herrajes adecuados para el material de la pared.
- La capacidad de carga máxima por estante es de 15 lb.
