

nectar Ultra Hybrid

- 1 Cool Comfort Elite Cover** (Nearly 4x cooling of Classic)
RefreshRest cooling and antimicrobial technology is woven into the soft cover. Maximum moisture-wicking, breathable fabric dispels heat and fights bacteria for the freshest, most comfortable sleep.
- 2 Active Gel Memory Foam with Active Cool PCM**
2" of therapeutic gel memory foam with Active Cool phase change material dynamically reacts to your body's temperature and helps balance it for an ultra cool sleep.
 - Part 1 of the NectarTech Gel System
- 3 Active Gel Memory Foam**
Another 2" of therapeutic gel memory foam provides perfect pressure relief and an enhanced responsive contouring feel for plush comfort.
 - Part 2 of the NectarTech Gel System
- 4 TriZone Gel Support Foam**
2" of gel foam constructed with 3 ergonomic zones provides strategic support for shoulders, back, and hips, and promotes proper spinal alignment.
 - Part 3 of the NectarTech Gel System
- 5 Infinity TriZone Individually-Wrapped Coils With Edge Support**
8" of coils in 3 ergonomic zones give breathable, strategic support for your shoulders, lower back, and hips, plus helps reduce motion transfer.
- 6 Endurance Support Foam**
1" of conventional foam ensures stabilized support and maximum motion isolation for an undisturbed sleep.
- 7 Shift-Resistant Comfort Cover**
A soft stitchbond cover keeps the inner core of your mattress in place, and prevents each of the layers from shifting on top of each other.

CertiPUR-US® Certified

Our foams meet CertiPUR-US® standards for content, emissions, and durability, and are analyzed by independent accredited testing laboratories. All of our foams are free of ozone depleters, PBDEs, TDCPP or TCEP flame retardants, mercury, lead, heavy metals and formaldehyde.
