Number of Lights: 1

Suggested Bulb: A Standard Bulb

Socket Type: E26

60/60

Cord: 1' Clear Silver

The name of the Polyhedron Wall Sconce pays homage to its triangular panes of white glass surrounded by antique brass delineations in an antique brass finish.

Though the glass looks uniform when the illumination warms it, there are subtle drifts of milkier white in some spots that others, which adds a bit of texture to this geometric design.
