6/6 PINEHURST UPHOLSTERED BED PACKAGE

MONOGRAM WALNUT COLLECTION

ITEM # 315-316P

If you are inclined to relax, then you might consider the inclined shape of the Pinehurst Upholstered Bed! This bed has two key strengths and they are the two that matter most when considering a bed: 1) it features stunning style and 2) it delivers incredible comfort for those who like to rest against the upholstered headboard as they relax from the day's work. But don't miss other details of this statement bed such as the matching upholstered rails that carry the walnut trim from the headboard through the footboard. Another worthy feature is the performance fabric that makes it both cleanable and comfortable.
