Introducing the Ian Bedroom Collection, featuring a King or Queen Bed and a matching Nightstand. With a sleek Mid-Century Modern design fused with contemporary and transitional elements, this set effortlessly complements any modern living space. Crafted with durability in mind, the bed and nightstand are constructed from Rubberwood solids and manufactured wood, finished with an eco-friendly oak embossed decorative laminate for long-lasting quality. The warm Cherry Brown finish adds an inviting ambiance while enhancing the natural wood grain. The bed's cozy padded headboard, upholstered in black PU, offers both style and comfort, perfect for lounging in bed. The nightstand boasts convenient storage with two roomy drawers, including a felt-lined top drawer to safeguard valuables. Engineered for smooth operation, the drawers feature French and English dovetail joinery, side-mounted, full-extension ball bearing glides, and UV finished sides for snag-free storage. Experience modern elegance and practicality with the Ian Bedroom Collection.

- Durable Construction:** Crafted of Rubberwood solids and manufactured wood with eco-friendly oak embossed decorative laminate for long-lasting quality.
- Warm Cherry Brown Finish:** The multistep finishing process produces an inviting ambiance and enhances the wood grain.
- Cozy Padded Headboard:** The headboard panel is upholstery in black PU that provided a striking contrast to the wood and a comfortable backrest for lounging in bed.
- No Need for Box Spring:** Sturdy roll out slat kit and support legs provide the stable surface needed for your mattress.
- Convenient Storage:** Two roomy drawers provide ample storage for bedside access. The top drawer is felt lined to protect delicates, jewelry and phones.
- Smooth Operation:** Drawers are crafted with care using French and English dovetailed joinery, side-mounted, full-extension ball bearing glides and UV finished sides for snag free storage.
- Modern Style:** Slim lines and tapered posts evoke a mid-century modern or casual contemporary vibe.
