

# Athena

Caracole

Inspired by the found beauty of a wrought iron gate, this petite seat balances the strength of metal with an exquisite mix of details and materials. Meticulously tailored in a crisp, light-toned linen, it features a button detail along the inside back and seat, accentuated by scrollwork along the back in a warm Brushed Gold finish. Tall, slender legs capped in Brushed Stainless metal ferrules lend a distinctive finishing touch. Style as a dining chair or mix in conversation spaces for an effortlessly elegant extra seat.
