GOURMET AI™ & WI-FI ENABLED

Innovative Gourmet AI™ technology¹ identifies your food and automatically makes 10 delicious recipe suggestions.² The high-definition Gourmet AI™ Camera allows you to remotely view inside the cavity in real-time via your smart device, record time-lapses, take pictures and even share them online.³

STEAM-COMBI CONVECTION OVEN

Versatile oven combines steam and convection cooking for gourmet results. The convection system cooks food quickly and evenly while steam helps to preserve texture, appearance and taste.

STEAM SOUS VIDE COOKING MODE

Enjoy sous vide results right in the spacious oven, without preheating. Achieve delicious results that are moist and tender on the inside, crisp and flaky on the outside, all with minimal effort.

SPEED-CLEAN™

Makes fast work of cleaning a lightly-soiled oven with just a ten minute cycle, using only water.

AIR FRY

Air Fry crunchy favorites like hors d'oeuvres, wings, fries and more while saving counter space. High temperatures and the convection fan work together to deliver the flavor and crunch you crave with little to no oil.

Innovation
