

Dream Chaser Bed - Queen

Caracole

Rich in material, yet restrained in form, the Dream Chaser bed lends an understated balance of opulence and simplicity. A Dry Martini finish draws attention to its parsons-shaped headboard, crafted from exquisite Koto veneers and encased in Brushed Gold. Dressed in a pale gray mohair fabric, a footboard and side rails with gently rounded corners appear to float on a Cloud-painted plinth base. Also available with curved, wood-paneled wings for a more commanding presence.
